### Festive Pet Perils!

Don't forget to keep a close eye on your furry family this Christmas. There are a number of things that if they eat, could make them very sick. These include chocolate, onions, grapes and raisins, to name but a few! Check out our Facebook page in the coming days for more information.

### CHRISTMAS COLLECTION

This festive season we are giving a helping paw to  
**SOUTH ESSEX WILDLIFE HOSPITAL in Orsett.**

Each year South Essex Wildlife Hospital receives around 10,000 sick, injured and orphaned animals in desperate need of urgent help, and they never turn an animal away. The centre is run by a small team and the charity costs over £1000 a day to run. They rely solely on your donations, so if you can help in any way they would be so appreciative.

#### HOW YOU CAN HELP OUT:

We are collecting towels, and tinned dog and cat food at all three of our branches, so please bring anything you can to us.

They also have an Amazon Wish List- just scan the QR code to access - or you can donate directly to them on their website at [southessexwildlife.org](http://southessexwildlife.org)

SEWH animals deserve a Christmas too.

Please help us to help them!

**THANK YOU SO MUCH**

Merry Christmas from all of us at
